

Freight Force Online I-5 Corridor Linehaul Quote & Booking Process

1. Log into the Freight Force Website by opening a web browser (Google Chrome the most compatible) and going to www.freightforce.com.
 - a. Type in your username and password.
 - b. Click Login

2. You can then click on the “Quote/Booking” link to get a quote and to book your linehaul shipment.

3. The Quote and Online Booking template is on the same page for customer convenience.

Q/B#	History	Date & Time	
14659	QUOTE	12/28/2020 5:13:28 PM	View
14658	QUOTE	12/28/2020 5:08:15 PM	View

14655	QUOTE	12/28/2020 5:02:30 PM	View

- a. **Check the linehaul box** to quote to book an I-5 Corridor linehaul shipment.

- b. There are four service level options when booking a linehaul shipment. Check either **Door to Door** with Freight Force making the pickup, linehaul and destination delivery. **Door to Terminal** with Freight Force making the pickup, linehaul and the customer responsible for recovery at destination. **Terminal to Door** with the customer responsible for dropping to our linehaul provider at origin with Freight Force performing linehaul and delivery. **Terminal to Terminal** with Freight Force performing the linehaul and the customer responsible for dropping to and recovering from our linehaul provider at origin and destination.

4. Linehaul Quick Quote:

a. To obtain a linehaul **Door to Door** quick quote the following fields highlighted in red example below need to be filled out which are: Origin Zip Code, Destination Zip Code, Accessorial Service selection, Shipment Quantity, Weight, Length, Width, Height and Product Description.

QUANTITY	WEIGHT (lbs)	LENGTH (in.)	WIDTH (in.)	HEIGHT (in.)	DESCRIPTION

 Select at least 1 Accessorial or NONE
 Click to View Accessorials
 Declared Value:

b. For Accessorial Services you must select "NONE" or the selected accessorial you wish to use in order to generate a quote. Multiple accessorial services can be selected by holding down the control button on your computer as you check multiple accessorial services. When booking your shipment you will be prompted to assign your accessorial service to origin, destination or both locations. If your shipment has a declared value check the declared value box and enter the value in USD. Shipments with value over 25K must be approved by Freight Force prior to transit.

Select at least 1 Accessorial or NONE

- ****NONE****
- AIRPORT DROP (PU FF)
- AIRWAY BILL PREP (DOMESTIC)
- APPOINTMENT / NOTIFICATION FEE
- BULK MAIL CENTERS PU/DEL
- CASH ADVANCE FEE
- CASINO CHARGE

** No charge if used with Liftgate
 *** Detention: Per 15 minutes interval/rounded up to nearest 15 minutes

Declared Value:

- c. To obtain a linehaul **Terminal to Door** quick quote instead of entering an origin zip code under **Shipper Information** click on the origin airport code for your I-5 Corridor shipment. The origin airport code options are LAX, PDX, SAN, SEA, SFO, YVR. The location to drop your shipment at the linehaul cross dock location is shown below the airport code. All the remaining data fields outlined for a Door to Door linehaul quote would apply for a Terminal to Door quote.
- d. To obtain a linehaul **Door to Terminal** quick quote instead of entering a destination zip code under **Consignee Information** click on the destination airport code for your I-5 Corridor shipment. The destination airport code options are LAX, PDX, SAN, SEA, SFO, YVR. The location to recover your shipment at the linehaul cross dock location is shown below the airport code. All the remaining data fields outlined for a Door to Door linehaul quote would apply for a Door to Terminal quote.
- e. To obtain a linehaul **Terminal to Terminal** quick quote instead of entering a origin or destination zip code under **Shipper Information** and **Consignee Information** click on the origin and destination airport code for your I-5 Corridor shipment. The airport code options are LAX, PDX, SAN, SEA, SFO, YVR. The location to drop and recover your shipment at the linehaul cross dock location is shown below the airport code. All the remaining data fields outlined for a Door to Door linehaul quote would apply for a Terminal to Terminal quote.
